Camp Menesetung School Programs

May & June 2018 Field Trip Opportunities

Imagine a classroom without walls, where students are eager to learn...

Who We Are

Located just North of Goderich, Camp Menesetung has provided outdoor education since 1933, operating as a non-profit summer camp for kids of all ages.

Directors Clayton Peters & Mary Ross are delighted to invite you to experience our out-of-classroom learning facility designed specifically for students to learn, grow, and have fun outside.

At Camp Menesetung, we believe that the power of the outdoors in combination with compelling challenges, creates a learning environment that motivates students to enthusiastically support their peers, and productively engage with the world around them.

All of our programs have been developed to meet **OPHEA standards** and the needs of your school. For full program details and **curriculum based learning expectations** please consult our Program Guides.

Division specific Program Guides are available for Primary, Junior, and Intermediate/Senior levels.

Please ask your administrator, send us an email, or visit our website for your copy!
