Job Description: Counsellor In Training (C.I.T.)

Full-Time: Living on-site Sunday (12pm) -Friday (following closing approx. 9pm) position from June 30th to August 23rd 2024 - with options for a shorter work term. A member of the staff development program. **Salary:** volunteer position with honorarium, possibility for high school co-op credits, volunteer hours & extra training. Room and board is included.

Job Purpose and Reporting Structure

All Counsellors In Training (CITs) are responsible for: Being open to developing their leadership skills, engaging, keeping safe, and meeting the needs of the campers in their care. CITs are paired with Frontline staff (primarily) at MeneSetung to collaboratively inspire their campers. Being a CIT is about being an amazing positive role model who knows how to have fun, how to listen, and how to help. As a CIT you should never find yourself in a solo cabin-counsellor or program lead role. CITs have the opportunity to change the lives of their campers. This position reports to the Leadership Training Coordinator, Camp Director, and Executive Director.

Essential Duties and Responsibilities

To your Camper

- Be there for you campers. Be their guide, be their role model, be their helper.
- Create opportunities for fun, learning, growth, and an amazing camp experience!
- Spark the imagination of your campers.
- Assist in a cabin chat at the beginning of each week to clearly communicate behaviour expectations with campers and how to access help when needed
- Ensure that all campers are kept safe, physically and emotionally, for the duration of all camp activities; including reporting health & safety hazards. (For a CIT one of the ways you might do this is telling the frontline staff you are working with about your concerns rather than intervening yourself)
- Ensure that campers feel safe by creating an environment in your cabin where authentic self expression (being 100% who they are) is encouraged and celebrated
- Know the exact location of all campers in your care at any given time throughout the week – ensuring continual active supervision (this does not necessarily mean you have to be doing the supervising but you need to know who is and for how long), including sleeping in-cabin with campers.
- Keep campers safe from the sun and insects by modeling and ensuring sun safe clothing is worn.

To all Fellow Staff

- Communicate! Communicate your learning needs, where you'll be, if you're having a rough time and need support, if you are having a great time and can be a support etc.
- Maintain a friendly, patient, and helpful relationship with your paired Frontline staff

- Seek out ways in which you can support a fellow staff. If you find yourself with a free moment, think 'Do my fellow staff members need extra help supervising campers? Setting up? Cleaning up?' Etc.
- Respect your fellow staff, ensure that any issues, violence, or harassment amongst staff are deescalated (within your capacity) and reported immediately to the Camp Director.
