Camp Menesetung Sponsorship Opportunities for Companies & Organizations

Why support us?

Camp Menesetung is a registered charity (charity#: 127589158RR0001) that exists to provide high quality outdoor experiences & community building opportunities for children & youth at subsidized rates. We are passionate about our commitment to everyone deserving the right to a quality summer camp experience. We offer additional bursary funding to families in need, and provide an in-house subsidized 1:1 camper integration support program to live out this vision.

Everything we do is for our campers and is made possible through the work of our team of volunteers and the support from our donors. Thank you!

What do we have to offer?

Beyond the intrinsic value of providing life-changing experiences for kids, those who support us become known and celebrated by our tight-knit community of families and community members. Here are some statistics to help you understand the people you will be helping:

- Every Spring we operate as an Outdoor-Education centre providing field trip programming to an average of 1000 students from Huron-Perth Counties during May & June. As part of this process we send sets of physical program guides & emails to every public & elementary school in the AMDSB, the HPCDSB, and nearby Private Schools.
- During the Summer we run week-long overnight camp & day camp summer camp sessions for kids ages 5-15. We average 350 campers/summer, the majority of whom attend from within a 2 hour drive of Goderich. All camper families receive a free T-shirt and attend a closing ceremony at the end of the week to sing songs, celebrate our sponsors, and watch a slideshow of their week before returning home.
- 1 in every 6 campers who attends our programs receives additional bursary funding from Camp Menesetung because of their family situation.
